

About Us:

We are a two doctor practice in Midhurst, Ontario looking for a kind, dependable and team-oriented individual to join our work family. We are passionate about patient care and high quality medicine. We like to take a collaborative approach to veterinary medicine, whether it be working with pet parents or co-workers. We always strive to maintain a positive work environment for our team members and stand by our slogan to "treat all of our patients like family".

We are currently looking for a Part Time or Full Time Veterinary Technician. Shifts would range Monday through Friday. We are a growing practice with lots of opportunity for personal growth and career advancement. We also have two sister clinics located in Barrie and Gravenhurst.

What We Offer:

We understand the importance self-care now more than ever. We want you to look forward to coming into work which is why we take pride in creating a stimulating and supportive work environment. We prioritize a healthy work-life balance and offer health benefits and competitive compensation. We also offer paid CE, uniform allowance, discounted veterinary services for personal pets, cute patients and amazing clients!

Apply:

Please email us a brief introduction along with your resume.

We hope that you can meet us and visit our clinic soon!
